

State Showcase Reviewer's Response

This form is used by the State Showcase Selection Committee members to rate potential shows for the State Conference mainstage honor showcase. This form is also appropriate for the LIVE REVIEWER (if a live review has been requested by the presenting school). Less a score sheet and more a reaction guideline, this response form is helpful in guiding the reviewer's reactions. The Showcase Selection Committee may choose to meet to decide on the presenting shows based on this form or may use it as discussion points for the final selection.

LIVE REVIEWERS are further responsible for writing a two page narrative, based on the reactions from this response form, and mailing it to the presenting school and a copy to the Selection Committee Chair within two weeks of viewing the production.

This form from all reviewers, including committee members and any live reviewers, must be turned over to the school requesting the review at or just after the Regional Acting Competitions.
